

# A DAY IN THE LIFE OF A SCHOOL BUS

## Art Competition & Scholarship

Sponsored by Leonard Bus Sales, Inc.

Leonard Bus Sales is proud to announce the 7<sup>th</sup> Annual “A Day in the Life of a School Bus” Art Competition & Scholarship to recognize and encourage the artistic talent of high school students across New York State. We are challenging students to depict a day in the life of the average school bus; to capture the places it goes and the things it sees. The winning art piece will be made into full-size, professional quality prints and will be shared with school districts and school bus enthusiasts throughout New York State.

### Artwork Subject Requirements

- The overall theme of the artwork must be school bus related.
- The school bus does not have to be the focal point of the piece, but it must be present and recognizable.
- The school bus depicted must be an IC, Trans Tech or GreenPower brand school bus.
  - For photos of an IC, Trans Tech or GreenPower school bus, please visit <https://www.leonardbus.com/sales/>.

### Competition Rules and Regulations

- The competition is open to high school Juniors and Seniors for the **2024-2025 School year**

### **Student Release Form**

- Each entrant must submit a Student Information and Release Form along with their artwork.
- The information requested on the form should be completed as thoroughly as possible.
- The form requires a description of the artwork, which should be detailed and clearly identifies the major elements of the piece.
  - A short, simplified description, such as “picture of a bus” or “bus next to a tree” would be unacceptable since multiple artworks would fit that description.
  - An acceptable artwork description would be “A painting of a country road in Fall, a school bus is stopped in front of a red farmhouse picking up two children. A dog sits on the front porch of the farmhouse”.
- The second page of the Student Information and Release Form contains a legal release and a certification that the artwork is original in design and execution. The student, an art teacher, and a parent / guardian must sign where appropriate. Entries submitted without signed originality certifications and artwork releases may not be accepted.

### **Awards**

- Artwork will be judged on creativity, originality, quality of composition and design, and appropriate use of the school bus subject.
- The winner of the competition will receive a one-time, \$1,000 scholarship (paid directly to the student’s chosen educational institution) upon high school graduation.
- If the winning student is a Junior, then the scholarship will be held until the following year and then paid out to the student’s educational institution.
- The winning artwork will be made into full-size prints and will be displayed in all Leonard Bus Sales facilities, as well as distributed to school districts and school bus enthusiasts across New York State.
