Dear Webutuck Families,

I hope this letter finds you well. It is also my wish that your loved ones and friends are doing well. I am sure you are aware that last Friday, Governor Andrew Cuomo issued an Executive Order requiring all school districts in New York State to remain closed for the remainder of the 2019-2020 school year. Online learning will continue during the school closure. We understand how disappointing this news is, especially to our seniors. Please be assured that the District is working on creating meaningful ways to honor our students and their accomplishments. More details about these plans will be shared as they become available.

Again, thank you for your patience and support over the last few weeks. I realize that the transition from the classroom to online learning has not been easy, but I am proud of our students’ academic efforts. I am equally amazed by our teachers, who have been working hard to ensure that students have access to meaningful learning opportunities at home. Please continue to stay connected with your teachers online and through email. They are working hard to provide quality work for students.

These certainly are unprecedented times. All I can ask is that you do your very best to support learning and that you keep the lines of communication with your child’s teachers open. We are all in this together, and we will continue to support our families in whatever way we can. Please reach out to me Raymond.castellani@webutuck.org or your child’s teacher if you have any questions at all.

Respectfully,

Raymond Castellani
Superintendent of Schools
