Dear Webutuck Families,

In Monday’s press conference, Governor Cuomo extended the Statewide school closure through April 29, 2020. From the first announcement of school closures, we have been preparing for the likelihood of an extended period of closure. Our instructional staff continues to offer quality learning experiences to our students each and every day.

Yesterday, Chancellor Betty Rosa advised that all June Regents examinations are canceled. This morning, the NYS Regents released the following guidance: “Because of the cancellation of the June 2020 Regents Examinations, the Department is making certain modifications to the assessment requirements that students must meet in order to earn high school diplomas, credentials, and endorsements. These modifications apply to all students enrolled in grades 7-12 during the 2019-20 school year who were intending to participate in one or more of the June 2020 Regents Examinations.”

For the entire guidance from NYS, please click on the following link:

I hope that you, our students and families, are finding some degree of familiarity with our distance learning plan. I understand that adapting to online learning at home is not an easy task. These certainly are unprecedented times. All I can ask is that you do your very best to support learning and that you keep the lines of communication with your child's teachers open. We are all in this together, and we will continue to support our families in whatever way we can. Please reach out to me Raymond.castellani@webutuck.org or your child’s teacher if you have any questions at all.

Respectfully,

Raymond Castellani
Superintendent of Schools
