

Week 2 — March 23 - March 27

Hope you are doing well — I miss you and I am sure that you all miss me and all of our classmates!

Everyone is doing a great job and I am so proud of all of you -- We are in this together

Continue in your math packet with the TIME lessons. READING A CLOCK 7.8 - 7.11

Nearpod lessons to complete with packet are a review of time:

Telling Time to the Hour... CAHGO

Telling Time to the Half Hour....FQYZN

A Quarter 'Til and a Quarter Past...AIWNU

Read Analog and Digital Clocks....XGKAV

Please continue to write in your journal everyday. Write about what you did — Did you help mom or dad cook? Did you help with house chores? Did you use your imagination and create something? Have you done anything special with your family? What do you like about being home? Did you watch any good movies?

I-ready- 20 mins of reading

I-ready- 20 mins of math

It snowed today! I have found the book *Patterns in the Snow* on Epic!

After reading the book look for patterns everywhere- in the snow, outside, around your house, on your clothes, in your food, wherever you see a pattern. Draw a picture or write about the patterns you see. You can also create your own patterns with items in your house or outside.

Not needed to be printed off, but just some ideas --

Scavenger hunt -- see attached

Where do you read checklist -- see attached

Using your journal....Draw a Picture of....see attached
