Dear Wildcat Families,

As we approach the last few months of the school year, I hope this letter finds you well and enjoying the beginning of the spring season.

As you may be aware, our school district has a policy in place for handling snow days and other emergency closures. Each year, we build a certain number of days off into the school year to accommodate unforeseen closures due to inclement weather or other emergencies. However, the unusually low amount of snow days used this past winter has resulted in a surplus of four (4) unused snow/emergency days as of the date of this letter.

Therefore, as noted in our adopted 2024-2025 school year calendar, school will be closed on the following days:

## **Snow Day Give Back 2024-2025**

If four (4) days remain, school will be closed on:

Friday, May 23;

Monday, April 21;

Tuesday, April 22;

Wednesday, April 23.

(In the unlikely scenario where any other snow/emergency days need to be used the remainder of the year, the snow day give back days will be removed in reverse order starting with Wednesday, April 23.)

As always, if you have any questions or concerns, please do not hesitate to reach out to me. Thank you for your continued support and cooperation as we strive to provide the best possible education for our students.

Sincerely,

Raymond Castellani  
Superintendent of Schools
