3/13/2020

Dear Webutuck Community,

As we go through this difficult time together as a community, I wanted to take this opportunity to assure you that the Webutuck Central School District is here for you and your families.

The Board of Education, administration, faculty and staff have spent the afternoon developing a plan that will assist families in our community in order to make sure that no child goes hungry while schools are closed. The District will provide breakfast and lunch to our students on Mondays, Wednesdays and Fridays during this school closure.

I ask that if you and your families are in need of this assistance, that you email me personally at [Raymond.castellani@webutuck.org](mailto:Raymond.castellani@webutuck.org). In this email, please include:

- Your child's or children's name
- Your address

Our plan is to personally deliver these items to you and your children at the address provided. Administrators and staff have volunteered to help with this program by preparing and delivering breakfast and lunch to our students in order to ensure that no child goes hungry while school is closed.

Again, my email is [Raymond.castellani@webutuck.org](mailto:Raymond.castellani@webutuck.org). If you don't speak English, please text Ms. Monica Baker at 845-332-0087 to assist you in your native language.

Also, due to today's message of closing schools for two weeks, we were not able to distribute school work and iPads to our students in grades K-5. We are now prepared to do so, and we ask that you email me or contact Monica Baker to set up a date and time where we can once again, personally deliver an iPad and/or instructional packet to you and your child(ren).

Please do not hesitate or think twice about emailing me for this assistance. It is and always will be held to a confidential standard. At these uncertain times in our country, I ask that you help us help you and your family! Together, we will get through this difficult time!

Respectfully,

Raymond Castellani
