

# Summer Ecology Camps 2025

## Theme: Micro Worlds

### Eco-Discovery Camp

#### Grades 2 - 8

Campers will uncover the unseen this summer at Eco-Discovery Camp! Under logs, high in the trees, within blades of meadow grasses, and among the rocks of the stream – fascinating tiny worlds of mosses, lichens, and fungi wait to be explored.

This week-long day camp has sessions for students in grades 2-4, 5-7, and 6-8. Full scholarships available. Register online or by phone.

#### Grades 6 - 8: New Options

- Art+science session
- Two-week 'deeper dive' session

### Eco-Leaders Program

#### Grades 9 - 12

Are you interested in learning how to help children connect with their local environment?

Have fun while building your teaching skills in this one-week volunteer opportunity. Open to students entering grades 9-12.
