

WEBUTUCK ELEMENTARY SCHOOL

**PARENTS REFUSAL FORM FOR PHOTOS PUBLISHED IN
NEWSPAPERS AND SCHOOL WEBSITE**

Dear Parent/Guardian:

Throughout the school year we have many occasions in which we invite the local newspaper to cover events. Random photos of the children are taken at these events and then published in the newspaper, along with the story. There also will be times that the teachers will take photos and videos of the students (class activities, field trips) and publish them on our website.

If you do not want your child to have their photo published in the newspapers or on our website throughout the 2019 – 2020 school year, please complete this form and return to your child’s teacher as soon as possible.

Student’s name: _____

Grade: _____ Teacher: _____

Parent/Guardian Signature: _____

Date: _____

If we do not receive this signed notice, your child’s photo will be used for publication purposes.

Thank you.
