

Dear Family,

The Food Service Department at Webutuck Central School District takes significant steps to ensure healthier options for your children. We would like to let you know, we will now be offering more snacks for your child in the cafeteria, should they choose to purchase them.

Children need healthy snacks to help them grow and stay healthy. Snacking isn't bad for kids, but what they snack on is important. If your child learns about healthy snacks now, he or she will learn to make healthy choices in the future.

Our district follows the Federal Nutritional Standards set by the 'Smart Snacks in School' legislation.

We have taken the guesswork out. All of the snacks that will be available to purchase are approved by the Federal Guidelines.

If you have any questions or concerns, please do not hesitate to contact the Food Service Department.

Food Service Director, Sheila Moran 845-373-4100 x4405
