He reviewed comparisons on discipline data from last year to this year noting that the numbers represented a decrease in student referrals which also led to a decrease in ISS and OSS. These numbers indicate teachers are spending less time dealing with discipline and focusing more on academics. Mr. Sauer also spoke about the High School Committees and their initiatives that they have begun this year. Mrs. Moran asked about the rubrics for each Committees' focus. President Culver suggested adding the information to the upcoming Board packet. Discussion ensued.

9. SUPERINTENDENT’S REPORT

A. Outside-of-District students shadowing Webutuck students.

Mr. Gratto referenced the proposed contract for out-of-district students shadowing Webutuck students. Mr. Sauer brought the topic up for discussion at a faculty meeting. Mr. Gratto recommended not continuing the program. Mrs. Panzer stated that her children had visited other schools for a day with no problems. Mrs. Boyd spoke about discussing it in Policy Committee and that it was nice for public relations; however, after more discussion they felt Webutuck was taking on more liability by having students visit. It was also a distraction for other students. It was clarified that a individual could come as a visitor to eat lunch etc., but that shadowing would be discontinued. Discussion ensued.

B. Other Bus Discipline Issue –

Mr. Gratto stated discipline was addressed in the Code of Conduct; however, it is not specific to transportation. There is a bus referral form, however it is not often that there

is follow through with a signature from parents. It was decided that a protocol will be established where parents have to sign the referral form before their child is allowed back on the bus after a discipline issue. The referral form process was discussed. President Culver suggested Mr. Gratto create a regulation about the implementation of the bus referral form.

Mr. Gratto stated the Exit Survey draft will be in the Board packet this Friday. It will be given to voters after they vote at May 15.

Jon Zenz spoke about the trouble they are experiencing with three levels of girls' softball. There is no solid procedure in any sport where students make a solid commitment to the team; students are on and off the team by their choice throughout the season without coaches having a definitive roster. There were three levels of softball with ten players on each team which does not work. He stated that we now have strong numbers on modified and varsity with those players that were on JV splitting between the two levels depending on their ability. Comments were made about what needs to be done regarding implementing procedures for solid team rosters, feeder programs, and whether there are enough students to play three levels in any sport, and whether a JV level is viable for Webutuck. Discussion ensued.

10. CURRICULUM AND INSTRUCTION

A. Committee on Special Education Monthly Reports

Mrs. Boyd made and Ms. Moran seconded the following motion:

Upon the recommendation of the Superintendent of Schools, BE IT RESOLVED, that the Webutuck Board of Education hereby accepts the Committee on Special Education report for March 2012, prepared by the Webutuck Central School District Committee on Pre-School Education and by the Webutuck Central School District Committee Special Education.

Ayes 6 Nays 0 The motion carried.

11. BUSINESS AND OPERATIONS

The Finance Committee met prior to the Board meeting to discuss the budget. Mr. Gratto briefly summarized the meeting and stated the Committee discussed all of the options; all of the input from last week's meeting regarding the proposed reductions, and the need to stay below 2% tax levy. He reviewed the three budget options for the Board which focused on either keeping or eliminating the social worker position and reducing German and the impact each option would have on the tax levy. He noted the enrollment for the three languages from last year to this year and also he noted the issue of Biology labs. He explained that if the District maintains Forensics and Vet Tech, the number of labs will remain the same. If enrollment does become too large in Biology, the Superintendent recommends that an MOA be established with one of the Biology teachers to teach an extra period. Each Board member voiced their concerns and discussed the option they felt was in the best interest of the District. Discussion ensued.

***B. REFUNDING BOND RESOLUTION OF THE WEBUTUCK (NORTEAST) CENTRAL SCHOOL DISTRICT DATED APRIL 17, 2012 AUTHORIZING THE REFUNDING OF ALL OR A PORTION OF CERTAIN OUTSTANDING SERIAL BONDS, STATING THE PLAN OF REFUNDING, AUTHORIZING THE ISSUANCE OF NOT TO EXCEED \$12,000,000 REFUNDING BONDS AND DETERMINING OTHER MATTERS IN CONNECTION THEREWITH.**

WHEREAS, the Webutuck (Northeast) Central School District, New York (the "School District") has heretofore duly issued (a) \$17,430,000 aggregate principal amount of School District Refunding (Serial) Bonds, 2005, such bonds being dated December 15, 2005 and maturing in annual installments in each of the years 2006 to 2021, both inclusive (the "Prior Bonds"), as more fully described herein; and

WHEREAS, the Prior Bonds were authorized pursuant to a bond resolution dated February 12, 2001; and

WHEREAS, the Prior Bonds were issued to finance construction of additions to and the reconstruction of the various School District buildings, including site work, and the acquisition of original furnishings, equipment, machinery or apparatus required for the purpose for which such buildings are to be used (collectively, the "Purpose"); and

WHEREAS, it would be in the public interest to refund all or a portion of the \$11,715,000 principal balance of the Prior Bonds maturing in the years 2012 - 2021 (the "Refunded Bonds") by the issuance of refunding bonds pursuant to Section 90.10 of the Local Finance Law; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION AS FOLLOWS:

Section 1. The School District is hereby authorized to refund all or a portion of the outstanding principal balance of the Refunded Bonds.

Section 2. The Refunding Financial Plan has been

prepared based upon the assumption that the Refunding Bonds (as defined herein) will be issued in a single series to refund all of the Refunded Bonds. This Board of Education recognizes that the Refunding Bonds may be issued in series, and for only one or more of the Refunded Bonds, or portions thereof, and that the Refunding Financial Plan also will most probably be different from that attached hereto. The President of the Board of Education is hereby authorized and directed to determine which of the Refunded Bonds will be refunded and the timing thereof.

Section 3. Subject only to the issuance of the Refunding Bonds as herein authorized, the School District hereby elects to redeem all of the Refunded Bonds that are callable at a present value savings, if any. Upon the issuance of the Refunding Bonds, the election to redeem such callable Refunded Bonds shall become irrevocable. The Escrow Agent (as defined herein) for the Refunding Bonds is hereby authorized and directed to cause notice of such call for redemption to be given in the name of the School District in the manner and within the time provided in the Refunded Bonds and in Section 53 of the Local Finance Law. Upon the issuance of the Refunded Bonds, the election to call in and redeem the callable Refunded Bonds and the direction to the Escrow Agent to cause notice thereof to be given as provided in this Section 3 shall become irrevocable, provided that this Section may be amended from time to time as may be necessary in order to comply with the publication requirements of paragraph a of Section 53.00 of the Local Finance Law, or any successor law thereto.

Section 4. The School District is hereby authorized to issue its serial general obligation refunding bonds (the "Refunding Bonds") in the aggregate principal amount of not to exceed \$12,000,000, in order to refund all or a portion of the Refunded Bonds. The Refunding Bonds described herein are hereby authorized to be consolidated for purposes of sale in one or more refunding serial bond issues. The Refunding Bonds shall each be designated substantially "SCHOOL DISTRICT REFUNDING (SERIAL) BOND" together with such series designation and year as is appropriate on the date of sale thereof, shall be of the denomination of \$5,000 or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity, shall be dated on such dates, and shall mature on such dates in such years, bearing interest on such dates, at the rate or rates of interest per annum, as may be necessary to sell the same, all as shall be determined by the President of the Board of Education pursuant to Sections 5 and 10 hereof. It is hereby further determined that such Refunding Bonds may be issued to refund all or a portion of the Refunded Bonds, subject to the limitation hereinafter described in Section 13 hereof relating to approval by the State Comptroller.

Section 5. The President of the Board of Education is hereby authorized and directed to determine the amount of the Refunding Bonds to be issued, the maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, if any, whether the Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraph c of Section 57.00 of the Local Finance Law, and the rate or rates of interest to be borne thereby, whether the Refunding Bonds shall be issued having substantially level or declining annual debt service and all matters related thereto, and to prepare, or cause to be provided, a final Refunding Financial Plan and, in accordance

Minutes of the Regular Board of Education Meeting

herewith, all powers in connection therewith are hereby delegated to the President of the Board of Education, provided that the terms of the Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of the Local Finance Law.

The Refunding Bonds may be subject to redemption prior to maturity upon such terms as the President of the Board of Education shall prescribe, which terms shall be in compliance with the requirements of Section 53.00 (b) of the Local Finance Law. If less than all of the Refunding Bonds of any maturity are to be redeemed, the particular Refunding Bonds of such maturity to be redeemed shall be selected by the School District by lot in any customary manner of selection as determined by the President of the Board of Education. Notice of such call for redemption shall be given by mailing such notice to the registered owners not less than thirty (30) days prior to such date and as otherwise provided in Securities and Exchange Commission Release No. 34-23856, as the same may be amended from time to time. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

The Refunding Bonds shall be issued in registered form and shall not be registrable to bearer or convertible into bearer coupon form. In the event said Refunding Bonds are issued in non-certificated form, such bonds, when issued, shall be issued initially in registered form in denominations such that one bond shall be issued for each maturity of bonds and shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the bonds in accordance with the book-entry-only system of DTC. In the event that either DTC shall discontinue the book-entry-only system, or the School District shall terminate its participation in such book-entry-only system, such bonds shall thereafter be issued in certificated form of the denomination of \$5,000 each or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity. In the case of non-certificated Refunding Bonds, principal of and interest on the bonds shall be payable by check or draft mailed by the Fiscal Agent (as defined herein) to the Depository Trust Company, New York, New York, or to its nominee, Cede & Co., while the Refunding Bonds are registered in the name of Cede & Co. in accordance with such book-entry-only system. Principal shall be payable only upon surrender of the bonds at the principal corporate trust office of such Fiscal Agent (or at the office of the School District Clerk as Fiscal Agent as hereinafter provided).

In the event said Refunding Bonds are issued in certificated form, principal of and interest on the Refunding Bonds shall be payable by check or draft mailed by the Fiscal Agent to the registered owners of the Refunding Bonds as shown on the registration books of the School District maintained by the Fiscal Agent, as of the close of business on the fifteenth day of the calendar month or last business day of the calendar month preceding each interest payment date as appropriate and as provided in a certificate of the President of the Board of Education providing for the details of the Refunding Bonds. Principal shall be payable only upon surrender of bonds at the principal corporate trust office of a bank or trust company or banks or trust companies located or authorized to do business in the State of New York, as shall hereafter be designated by the President of the

Board of Education as fiscal agent of the School District for the Refunding Bonds (collectively, the "Fiscal Agent"). Refunding Bonds in certificated form may be transferred or exchanged at any time prior to maturity at the principal corporate trust office of the Fiscal Agent for bonds of the same maturity of any authorized denomination or denominations in the same aggregate principal amount. Principal and interest on the Refunding Bonds shall be payable in lawful money of the United States of America.

The President of the Board of Education, as chief fiscal officer of the School District, is hereby authorized and directed to enter into an agreement or agreements containing such terms and conditions as he/she shall deem proper with the Fiscal Agent, for the purpose of having such bank or trust company or banks or trust companies act in connection with the Refunding Bonds as the Fiscal Agent for said School District, to perform the services described in Section 70.00 of the Local Finance Law, and to execute such agreement or agreements on behalf of the School District, regardless of whether the Refunding Bonds are initially issued in certificated or non-certificated form; provided, however, that the President of the Board of Education is hereby authorized to name the School District Clerk as the Fiscal Agent in connection with the Refunding Bonds if said Refunding Bonds are issued in non-certificated form.

The President of the Board of Education is hereby further delegated all powers of this Board of Education with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 6. The maximum amount of Refunding Bonds authorized to be issued does not exceed the amount sufficient to pay the sum of (a) the principal amount of the Refunded Bonds, which will be outstanding as of the date of issue of the Refunding Bonds, (b) the aggregate amount of unmatured interest payable on the Refunded Bonds to and including either the dates the Refunded Bonds mature or, if such Refunded Bonds are to be called for redemption prior to their maturities, the dates set for such redemption in accordance with the Refunding Financial Plan, (c) redemption premiums, if any, payable on the Refunded Bonds as of such redemption dates and (d) costs and expenses incident to the issuance of the Refunding Bonds, including the development of the Refunding Financial Plan, and of executing and performing the terms and conditions of the escrow contract and all fees and charges of the Escrow Holder.

Section 7. The maximum periods of probable usefulness permitted by law at the time of issuance of the Refunded Bonds for the object or purpose or objects or purposes for which the Refunded Bonds were issued are fifteen (15) years as to \$4,548,128 of the costs of the Purpose and twenty (20) years with respect to the balance of the costs of the Purpose.

Section 8. The President of the Board of Education is hereby authorized and directed to contract on behalf of the School District with a bank or trust company located and authorized to do business in the State of New York for the purpose of having such bank or trust company act as the escrow holder (the "Escrow Holder") of the proceeds, inclusive of any premium, from the sale of the Refunding Bonds, together with all income derived from the investment of such proceeds, and any other moneys provided by

All interest earned from the investment of the proceeds of the sale of the Refunding Bonds not required for such payments on the Refunded Bonds to be refunded, shall be irrevocably committed and pledged to the payment of the principal of and interest on the Refunding Bonds and the holders of the Refunding Bonds shall have a lien upon such moneys held by the Escrow Holder. The pledges and liens provided for in this Section shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder shall immediately be subject thereto without any further act.

Section 10. Subject to the provisions of the Local Finance Law and this Resolution, the power to determine the final Refunding Financial Plan, to prescribe the terms, form and contents of the Refunding Bonds and to sell (including the power to sell the Refunding Bonds at a discount and pursuant to a private sale), issue and deliver the Refunding Bonds is hereby delegated to the President of the Board of Education, the chief fiscal officer of the School District. The Refunding Bonds shall be sold at private sale to Jefferies & Company (the "Underwriter") for purchase prices to be determined by the President of the Board of Education, plus accrued interest from the date or dates of the Refunding Bonds to the date or dates of delivery of payment for the Refunding Bonds. Subject to the approval of the terms and conditions of such private sale by the State Comptroller as required by subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, the President of the Board of Education is hereby authorized to execute and deliver a purchase contract for the Refunding Bonds in the name and on behalf of the School District providing the terms and conditions for the sale and delivery of the Refunding Bonds to the Underwriter. After the Refunding Bonds have been duly executed, they shall be delivered by the President of the Board of Education to the Underwriter in accordance with said purchase contract upon the receipt by the School District of said purchase price, including accrued interest.
