Dear Warrior Families,

As the days and weeks churn ahead on our calendar, it is time for another update for the athletics teams here at Webutuck. We are excited to announce that, beginning Monday, October 26, we will begin hosting “open” gym sessions for boys and girls basketball. Any student in grades 7-12 who is interested in trying out for the basketball program is encouraged to attend. These sessions are voluntary and will be held after school two days a week until the season begins on November 30. **Transportation will not be provided for these open gyms (NO AFTER SCHOOL BUSES), student athletes and/or their families will be responsible for rides home following the conclusion of these workouts at 4:30 pm.** Below, please find the schedule for our open gym sessions. Additionally, below the following schedule, please review some important reminders regarding the process for athletic team participation.

**Open Gym Schedule**

Mondays: 3:00 pm-4:30 pm

Thursdays: 3:00 pm-4:30 pm

All students must register and sign up for all athletic teams on our FamilyID portal. The link for the portal is here: [https://www.familyid.com/webutuck-athletics](https://www.familyid.com/webutuck-athletics)

In order to be an eligible participant, in addition to signing up through the portal, students must have a sports physical in place prior to the first day of practice. Tryouts will be conducted over a three day period and, after final cuts are made, all coaches and the directors of athletics will host a parent meeting. Parent/guardian attendance for these meetings is mandatory. Final rostered athletes will NOT be allowed to practice until a parent/guardian is able to meet with the coaches and directors. More information on those meetings will be disseminated once final rosters are solidified. Please feel free to reach out to myself or Matt Pascale at any time with any questions.

Respectively,

Joseph Lasaponara
Webutuck Central School District
Athletic Director
